BRIEF PROCESS FOR REVISING THE RULES:

1. Publicize that the CSCC is soliciting suggestions for Rules changes.

3. A deadline is determined for receiving suggested Rules changes.
4. Publicize the deadline and make sure the latest draft version of the Employment Rules is posted to the web.
5. Proposed Rules are forwarded to the CSCC as a whole. The CSCC votes on the draft that should go forward to public hearings.
6. Public hearings are scheduled and the official draft is published on the Office of HR and/or CSCC website in accordance to Rule 1.3.
7. Hearings are available on all campuses through a video or phone connection, or in person.
8. Further changes can be made as a result of the hearings. If there are further changes, the changes must be approved by the CSCC. CSCC must approve the draft Rules in their entirety before they are presented to the Board of Regents.
9. Draft changes are sent to the President and OHR for review.
10. OHR and the Senate support staff make arrangements to schedule the Rules presentation on the Board of Regents (BOR) agenda and prepare the presentation material for the BOR in the format required by the BOR.
