ARTICLE IV. COMMITTEES OF THE FACULTY SENATE (Changes to this article are subject to vote only by the Faculty Senate)

1. Committees, Subcommittees, and Special Committees

a. A Faculty Senate committee is any committee to which the Faculty Senate delegates responsibilities in broad areas of University concern and whose reports are made directly to the Faculty Senate. Membership of all Faculty Senate committees and procedures for electing or appointing members are described in these Bylaws. The Faculty Senate by appropriate Bylaws may create or terminate committees vested with such responsibilities as the Faculty Senate has the power to confer.

b. Subcommittees of Faculty Senate Committees: Faculty Senate committees may appoint subcommittees as necessary to assist with their responsibilities. Membership of subcommittees need not be limited to members of the parent committee. Subcommittee memberships shall typically have approximately the same ratio of faculty, academic staff, students, civil service, and alumni as the parent committee and shall include ex officio representation as appropriate. If an exception is necessary, the parent committee shall consult with the Senate Committee on Committees. The Senate Committee on Committees shall also serve as a resource for, or source of, subcommittee nominations and shall, at the request of the parent committee, appoint members to standing subcommittees.

c. Special Committees: Special committees may be created to study and make recommendations on special topics within the areas of concern to the Faculty Senate. Special committees may be created, charged, and terminated by the Faculty Senate, the Faculty Consultative Committee, or Committees of the Faculty Senate, alone or jointly.

2. Eligibility for Membership

a. Faculty who serve on Faculty Senate committees must be eligible to serve in the Faculty Senate.

b. Individuals holding academic staff titles are eligible to serve as voting members of Faculty Senate committees even if they are not qualified for membership in the Faculty Senate, except that no individual holding a position carrying as any part of its title President, vice president, chancellor, provost, executive director, dean, counsel, controller, or chief of staff may serve as a voting member of a Faculty Senate committee, nor may the University Librarian. Individuals whose appointment responsibilities are primarily faculty but who incidentally have an administrative title and responsibilities within an academic department or its equivalent are eligible to serve as voting members and chairs of Faculty Senate committees. Individuals with academic staff titles are only eligible to serve on the Educational Policy Committee and the Research Committee if they are also eligible to serve in the Faculty Senate. An individual serving as a voting member of a Faculty Senate committee who is appointed to a position which would bar them from service as a voting member on the committee shall resign from that committee. If the individual is appointed only to an interim or acting position, the chair of the Faculty Consultative Committee may, with the consent of the Faculty Consultative Committee, waive the requirement that the individual resign from the committee.

c. No individual holding an academic staff title or a civil service title may serve on a Faculty Senate committee which includes among its ex officio members the University officer to whom the individual directly reports. If the Senate Committee on Committees believes there is a reasonable potential for a conflict of interest for a prospective committee member from a unit on
which a University officer from the same unit serves as an ex officio member, it should decline to appoint such an individual to a committee.

d. Students must be eligible to serve in the Student Senate to be eligible to serve on Faculty Senate standing committees.

e. Only individuals eligible to serve in the Faculty Senate may serve as the chair of a committee of the Faculty Senate.

f. In the event of a question about whether someone is eligible to serve on a Faculty Senate committee, the initial decision will be made by the Senate Committee on Committees with review by the Faculty Consultative Committee at its discretion.

3. Committee Procedures

a. Alternates or proxy voting are not permitted on Faculty Senate committees.

b. All committees of the Faculty Senate shall keep minutes of their meetings and proceedings. Committee minutes must not contain information considered private or confidential under the provisions of state or federal law.

d. An ex officio member of any committee of the Faculty Senate shall not be entitled to vote as a member of the committee, unless provided for in the Rules.

e. Committees of the Faculty Senate shall have a policy of open meetings. Closed or executive sessions may be held only after approval by a two-thirds majority of the committee members present and voting. The committee shall keep a list of all topics discussed and actions taken in its closed meetings and incorporate that list in its minutes. Only committee members and others designated by the chair may remain in the meeting once a motion to close the meeting has been adopted. All regular sessions of the Faculty Academic Oversight for Intercollegiate Athletics Committee and the Judicial Committee shall be considered closed or executive sessions.

f. A committee of the Faculty Senate shall have the authority to issue interpretations of Senate policies that it has previously introduced to a Senate and which that Senate and the administration have approved. The Faculty Consultative Committee may issue interpretations for any policy adopted by any committee that reports to the Faculty Senate. Those interpretations shall be considered part of the policy (1) once the interpretation has been reported for information at the next Faculty Senate meeting following committee approval of the interpretation, and (2) neither the Faculty Senate nor the President makes objection before or at that Senate meeting. The Faculty Senate may, by simple majority of those present and voting, vote not to approve the interpretation, in which case it is not part of the policy. If the President objects, the interpretation must be brought back at the following meeting for a vote by the Faculty Senate.

g. Committees of the Faculty Senate shall have the authority to take up matters of concern only to the Twin Cities campus, including the appointment of subcommittees to take up Twin Cities campus matters. When they do so, only the Twin Cities campus members of the committees may vote on any actions to be taken with respect to such matters. The chair of the committee shall rule on which matters are of concern only to the Twin Cities campus.
h. Committees shall report to the Faculty Senate as provided by these Bylaws. Certain committees may have a secondary reporting line to another Senate, as provided in the Bylaws governing specific committees. The Senate to which a committee has a secondary reporting line may refer matters to the committee and call for reports and recommendations from the committee. The Committee on Finance and Planning shall have a dual reporting line to both the University Senate and the Faculty Senate.

i. Additional general Rules for functions and operational procedures of all committees of the Faculty Senate shall be contained in the Rules for Committees of the Faculty Senate.

4. Removal of Faculty Senate Committee Chairs and Faculty Senate Committee members

a. Committee chairs may be removed by a two-thirds vote of the Faculty Consultative Committee. If the committee chair to be removed is an academic staff member, the Faculty Consultative Committee will consult with the P&A Consultative Committee before voting on removal. Any committee chair who is to be the subject of a vote on removal may submit a statement to the Faculty Consultative Committee before a vote on removal is taken. There is no appeal from the decision of the Faculty Consultative Committee to remove a committee chair. Nothing in this section bars anyone from making use of the University's normal grievance processes for employees or students.

b. Committee chairs may be removed from their position only on the grounds that they have failed to perform the duties required of a committee chair, they have obstructed the business of the Faculty Senate or its committee(s), they have violated the Board of Regents Policy: Code of Conduct, Board of Regents Policy: Academic Misconduct, the Board of Regents Policy: Student Conduct Code, or because their continued service would cast doubt on the integrity and credibility of the work of the committee. e. Any committee member who is to be the subject of a vote on removal may submit a statement to the Faculty Consultative Committee, Student Consultative Committee, Council of Academic Professionals and Administrators, or the Civil Service Committee, as appropriate, before a vote on removal is taken. There is no appeal from the decision of these groups on a decision to remove a committee member. Nothing in this section bars anyone from making use of the University's normal grievance processes for employees or students.
f. The Faculty Consultative Committee shall have the authority, by a two-thirds majority vote, to remove its chair. The Faculty Consultative Committee shall also have the authority, by a two-thirds majority vote, to remove one of its members.

g. The provisions of this Section (4) may not be used to infringe on the academic freedom of committee chairs and committee members. Neither committee chairs nor committee members may be removed from their position because they express unpopular views.

h. Nothing in this section (4) shall affect the operation of Senate Rule Article II, Section (2)(f), which provides for replacement of committee members who are repeatedly absent from meetings of their committees.

i. In all cases, the majorities required in this section (4) are two-thirds majorities of the full voting membership of the committee, not two-thirds of those present and voting.

ARTICLE VIII. COMMITTEES OF THE P&A SENATE (Changes to this article are subject to vote only by the P&A Senate)

1. Committees, Subcommittees, and Special Committees

a. A P&A Senate committee is any committee to which the P&A Senate delegates responsibilities in broad areas of University concern and whose reports are made directly to the P&A Senate. Membership of all P&A Senate committees and procedures for electing or appointing members are described in these Bylaws. The P&A Senate by appropriate Bylaws may create or terminate committees vested with such responsibilities as the P&A Senate has the power to confer.

b. Subcommittees of P&A Senate Committees: P&A Senate committees may appoint subcommittees as necessary to assist with their responsibilities. Membership of subcommittees need not be limited to members of the parent committee. Subcommittee memberships may include faculty, students, civil service, alumni, and ex officio representation as appropriate.

c. Special Committees: Special committees may be created to study and make recommendations on special topics within the areas of concern to the P&A Senate. Special committees may be created, charged, and terminated by the P&A Senate, the P&A Consultative Committee, or Committees of the P&A Senate, alone or jointly.

2. Eligibility for Membership

a. Any P&A may serve on a P&A Senate committee or subcommittee except that no individual holding a position carrying as any part of its title President, vice president, chancellor, provost, executive director, dean, counsel, controller, or chief of staff may serve as a voting member of a P&A Senate committee or subcommittee, nor may the University Librarian. An individual serving as a voting member of a P&A Senate committee or subcommittee who is appointed to a position which would bar them from service as a voting member on the committee shall resign from that committee or subcommittee. If the individual is appointed only to an interim or acting position, the chair of the P&A Consultative Committee may, with the consent of the P&A Consultative Committee, waive the requirement that the individual resign from the committee or subcommittee.

b. No P&A may serve on a P&A Senate committee or subcommittee which includes among its ex officio members the University officer to whom the individual directly reports. If the P&A Consultative Committee, the Senate Committee on Committees, the Student Committee on Committees, or the Civil Service Consultative Committee believes there is a reasonable potential for a conflict of interest for a prospective committee or subcommittee member from a unit on which a University officer from the same unit serves as an ex officio member, it should decline to appoint such an individual to a committee or subcommittee.

c. In the event of a question about whether someone is eligible to serve on a P&A Senate committee or subcommittee, the decision will be made by the P&A Consultative Committee.

3. Committee Procedures

a. Absentee or proxy voting are not permitted on the P&A Consultative Committee.
b. All committees of the P&A Senate shall keep minutes of their meetings and proceedings. Committee minutes must not contain information considered private or confidential under the provisions of state or federal law.

c. Any committee or subcommittee of the P&A Senate may be required, upon a majority vote of the members of the P&A Senate present and voting, to report to the P&A Senate at its next meeting.

d. An ex officio member of any committee or subcommittee of the P&A Senate shall not be entitled to vote as a member of the committee or subcommittee, unless provided for in the Rules.

e. Committees and subcommittees of the P&A Senate shall have a policy of open meetings. Closed or executive sessions may be held only after approval by a two-thirds majority of the committee or subcommittee members present and voting. The committee or subcommittee shall keep a list of all topics discussed and actions taken in its closed meetings and incorporate that list in its minutes. Only committee or subcommittee members and others designated by the chair may remain in the meeting once a motion to close the meeting has been adopted.

f. A committee of the P&A Senate shall have the authority to issue interpretations of Senate policies that it has previously introduced to a Senate and which that Senate and the administration have approved. The P&A Consultative Committee may issue interpretations for any policy adopted by any committee that reports to the P&A Senate. Those interpretations shall be considered part of the policy (1) once the interpretation has been reported for information at the next P&A Senate meeting following committee approval of the interpretation, and (2) neither the P&A Senate nor the President makes objection before or at that Senate meeting. The P&A Senate may, by simple majority of those present and voting, vote not to approve the interpretation, in which case it is not part of the policy. If the President objects, the interpretation must be brought back at the following meeting for a vote by the P&A Senate.

g. Committees and subcommittees of the P&A Senate shall have the authority to take up matters of concern only to the Twin Cities campus, including the appointment of subcommittees to take up Twin Cities campus matters.

h. Committees shall report to the P&A Senate as provided by these Bylaws. Certain committees may have a secondary reporting line to another Senate, as provided in the Bylaws governing specific committees. The Senate to which a committee has a secondary reporting line may refer matters to the committee and call for reports and recommendations from the committee.

i. Additional general Rules for functions and operational procedures of all committees or subcommittee of the P&A Senate shall be contained in the Rules for Committees and Subcommittees of the P&A Senate.

4. Removal of P&A Senate Committee or Subcommittee Chairs and P&A Senate Committee or Subcommittee members

a. Chairs may be removed by a two-thirds vote of the P&A Senate. Any chair who is to be the subject of a vote on removal may submit a statement to the P&A Senate before a vote on removal is taken. There is no appeal from the decision of the P&A Senate to remove a chair. Nothing in this section bars anyone from making use of the University's normal grievance processes for employees or students.
b. Chairs may be removed from their position only on the grounds that they have failed to perform the duties required of a chair, they have obstructed the business of the P&A Senate or its committee(s), or subcommittee(s), they have violated the Board of Regents Policy: Code of Conduct, Board of Regents Policy: Academic Misconduct, the Board of Regents Policy: Student Conduct Code, or because their continued service would cast doubt on the integrity and credibility of the work of the committee or subcommittee. Anyone removed as chair is automatically removed from membership on the committee or subcommittee.

c. Members may be removed by a two-thirds vote of the P&A Senate. Any member who is to be the subject of a vote on removal may submit a statement to the P&A Senate before a vote on removal is taken. There is no appeal from the decision of the P&A Senate to remove a member. Nothing in this section bars anyone from making use of the University's normal grievance processes for employees or students.

d. Members may be removed from a committee or subcommittee only on the grounds that they have prevented the committee or subcommittee from conducting its business, if they have violated the Board of Regents Policy: Code of Conduct, Board of Regents Policy: Academic Misconduct, the Board of Regents Policy: Student Conduct Code, or because their continued service would cast doubt on the integrity and credibility of the work of the committee or subcommittee.

e. The provisions of this Section (4) may not be used to infringe on the academic freedom of chairs and members. Neither chairs nor members may be removed from their position because they express unpopular views.

f. Nothing in this section (4) shall affect the operation of Senate Rules Article VIII, Section 2(d), which provides for replacement of members who are repeatedly absent from meetings of their committees or subcommittees.

g. In all cases, the majorities required in this section (4) are two-thirds majorities of the full voting membership of the Senate, not two-thirds of those present and voting.

In case of a vacancy, the P&A Senate shall hold a special election until the next general election.

No individual holding a position carrying as any part of its title President, vice president, chancellor, provost, executive director, dean, counsel, controller, or chief of staff may serve as a voting member of a Civil Service Senate committee, nor may the University Librarian. An individual serving as a voting member of a Civil Service Senate committee who is appointed to a position which would bar them from service as a voting member on the committee shall resign from that committee. If the individual is appointed only to an interim or acting position, the chair of the Civil Service Consultative Committee may, with the consent of the Civil Service Consultative Committee, waive the requirement that the individual resign from the committee.

c. No individual holding a civil service title may serve on a Civil Service Senate committee which includes among its ex officio members the University officer to whom the individual directly reports. If the Senate Committee on Committees, Student Committee on Committees, or the P&A Consultative Committee believes there is a reasonable potential for a conflict of interest for a prospective committee member from a unit on which a University officer from the same unit serves as an ex officio member, it may decline to appoint such an individual to a committee.

d. Only individuals eligible to serve in the Civil Service Senate may serve as the chair of a committee of the Civil Service Senate.

e. In the event of a question about whether someone is eligible to serve on a Civil Service Senate committee, the decision will be made by the Civil Service Consultative Committee.

3. Committee Procedures
a. Alternates or proxy voting are permitted on Civil Service Senate committees. The pool of Civil Service Senate committee alternates shall consist of current Civil Service Senate members. A Civil Service committee member may designate anyone from the pool of alternates to serve as an alternate in the committee member’s absence by providing notice to the Senate support staff prior to the commencement of any meeting of a Civil Service Senate committee. Civil Service committee members taking a leave of absence for more than three consecutive meetings should find a sitting Civil Service senator from their area of representation to replace them.

b. All committees of the Civil Service Senate shall keep minutes of their meetings and proceedings. Committee minutes must not contain information considered private or confidential under the provisions of state or federal law.

c. Any committee of the Civil Service Senate may be required, upon a majority vote of the members of the Civil Service Senate present and voting, to report to the Civil Service Senate at its next meeting.

d. An ex officio member of any committee of the Civil Service Senate shall not be entitled to vote as a member of the committee, unless provided for in the Rules.

e. Committees of the Civil Service Senate shall have a policy of open meetings. Closed or executive sessions may be held only after approval by a two-thirds majority of the committee members present and voting. The committee shall keep a list of all topics discussed and actions taken in its closed meetings and incorporate that list in its minutes. Only committee members and others designated by the chair may remain in the meeting once a motion to close the meeting has been adopted. Administrative ex officio members may be asked to leave.

f. A committee of the Civil Service Senate shall have the authority to issue interpretations of Senate policies that it has previously introduced to a Senate and which that Senate and the administration have approved. The Civil Service Consultative Committee may issue interpretations for any policy adopted by any committee that reports to the Civil Service Senate. Those interpretations shall be considered part of the policy (1) once the interpretation has been reported for information at the next Civil Service Senate meeting following committee approval of the interpretation, and (2) neither the Civil Service Senate nor the President makes objection before or at that Senate meeting. The Civil Service Senate may, by simple majority of those present and voting, vote not to approve the interpretation, in which case it is not part of the policy. If the President objects, the interpretation must be brought back at the following meeting for a vote by the Civil Service Senate.

g. Committees shall report to the Civil Service Senate as provided by these Bylaws. Certain committees may have a secondary reporting line to another Senate, as provided in the Bylaws governing specific committees. The Senate to which a committee has a secondary reporting line may refer matters to the committee and call for reports and recommendations from the committee.

h. Additional general Rules for functions and operational procedures of all committees of the Civil Service Senate shall be contained in the Rules for Committees of the Civil Service Senate.

4. Removal of Civil Service Senate Committee Chairs and Civil Service Senate Committee members
a. Committee chairs may be removed by a two-thirds vote of the Civil Service Senate. Any committee chair who is to be the subject of a vote on removal may submit a statement to the Civil Service Senate before a vote on removal is taken. There is no appeal from the decision of the Civil Service Senate to remove a committee chair. Nothing in this section bars anyone from making use of the University's normal grievance processes for employees or students.

b. Committee chairs may be removed from their position only on the grounds that they have failed to perform the duties required of a committee chair, they have obstructed the business of the Civil Service Senate or its committee(s), they have violated the Board of Regents Policy: Code of Conduct, Board of Regents Policy: Academic Misconduct, Board of Regents Policy: Student Conduct Code, or because their continued service would cast doubt on the integrity and credibility of the work of the committee. Anyone removed as committee chair is automatically removed from membership on the committee.

c. Committee members may be removed by a two-thirds vote of the Civil Service Senate. Any committee member who is to be the subject of a vote on removal may submit a statement to the Civil Service Senate before a vote on removal is taken. There is no appeal from the decision of the Civil Service Senate to remove a committee member. Nothing in this section bars anyone from making use of the University's normal grievance processes for employees or students.

d. Committee members may be removed from a committee only on the grounds that they have prevented the committee from conducting its business, if they have violated the Board of Regents Policy: Code of Conduct, Board of Regents Policy: Academic Misconduct, Board of Regents Policy: Student Conduct Code, or because their continued service would cast doubt on the integrity and credibility of the work of the committee.

e. The provisions of this Section may not be used to infringe on the academic freedom of committee chairs and committee members. Neither committee chairs nor committee members may be removed from their position because they express unpopular views.

h. Nothing in this Section shall affect the operation of Senate Rules Article X, Section (2)(c), which provides for replacement of committee members who are repeatedly absent from meetings of their committees.

i. In all cases, the majorities required in this Section are two-thirds majorities of the full voting membership of the Senate, not two-thirds of those present and voting.

UNIVERSITY SENATE RULES

ARTICLE I. RULES OF THE UNIVERSITY SENATE (Changes to this article are subject to vote only by the University Senate)

1. Organization

The University Senate may determine its own organization, create committees whose membership need not be limited to members of the University Senate, and adopt procedural Rules for the conduct of its business.

2. Agenda and Minutes

The Senate Consultative Committee shall plan the agenda for any meeting of the University Senate, for which it serves as the executive and steering committee. The agenda shall be prepared and distributed by the Senate Office. The agenda consists of items submitted for University Senate consideration by the Faculty Senate, the Student Senate, a campus assembly, the Faculty Consultative Committee, the Student Consultative Committee, the P&A Consultative Committee, the Civil Service Consultative Committee, by any committee of the University Senate or campus assemblies, or by any member of the Senate. At the discretion of the Senate Consultative Committee, the Senate Office may be instructed to include additional items on the agenda for any regular meeting of the University Senate. Items for the docket must be delivered to the Senate Office no later than two weeks prior to the date of each meeting.

The minutes of the meetings of the University Senate shall be available to all faculty, academic staff, civil service staff, and students. The actions of Senate meetings shall be available in like manner.

3. Amendments to the Rules

Amendments to the University Senate Rules shall be made by a majority vote of the members of the University Senate present and voting at any meeting of the University Senate. However, the Rules cannot be amended to contravene either the Constitution or the Bylaws. If such a situation presents itself, a Constitutional or Bylaws amendment motion must be undertaken. Rules of Order (Robert's Rules Newly Revised) may be suspended by a two-thirds majority vote.

4. Seating

The meeting room shall provide a clear and definite area reserved for senators, and no non-senator (except authorized alternates, the Clerk and parliamentarian, and Senate staff) shall have access to this area without explicit permission from the chair. Senators and authorized alternates shall be identified in order to permit their seating to ensure accurate voting.

5. Recognition and Participation

a. In deliberations, priority of recognition shall be given to senators over non-senators; speakers who have not spoken over those who have; alternation of pro and con on a specific issue.

b. Any senator, upon recognition from the chair, may yield time in debate to a non-senator.
c. In the event that a senator has yielded time to a non-senator, both shall be considered to have spoken.

d. Speakers shall be limited to three minutes each time they are recognized.

e. The member of a committee presenting an item on the docket who is not a member of the University Senate shall be extended all privileges associated with participation. These include making motions in areas related to the committee report. Such a person shall not be extended the privilege of voting.

f. Members of committees of the University Senate who are not members of the University Senate shall have the privilege of speaking on reports of their committees before the University Senate.

g. The usual Rules of Germaneness and decorum shall apply to both senators and non-senators.

6. Meeting Procedures

a. The time limits specified on the agenda are the maximum time for debate or discussion. A motion to extend the limits of debate may be proposed on any agenda item.

b. The University Senate may not consider any amendment to a motion appearing in the printed docket unless the person making the motion has submitted the proposed amendment in writing to the Senate Office at least 48 hours before the meeting. There are two exceptions to this rule. First, the person making the motion on the docket may accept, on the floor of the University Senate, amendments they consider to be friendly. Second, the University Senate may consider such an amendment if the majority of senators present vote to do so. Before any vote is taken to consider an amendment on the floor, the person offering it must present it in writing (or, if connected to the meeting electronically, must provide specific wording) to the Senate Office.

c. An item of new business presented at a meeting of the University Senate by an individual member shall be referred to the Senate Consultative Committee for consideration and presentation at the next regular meeting of the University Senate; but such an item of business may be considered and voted on at the meeting at which it is introduced by a two-thirds majority vote of the members of the University Senate present and voting on a motion for immediate consideration (not debatable). An item on the agenda for information may be sent back to the committee reporting it, for presentation as an item for action at a later meeting, by a simple majority vote of the members of the University Senate present and voting; it may be considered for action at the meeting at which it is reported for information by a two-thirds majority vote of the members of the University Senate present and voting on a proposal for immediate consideration as an item for action.

d. The motion to table shall be debatable.

e. At each meeting of the University Senate when the President is present, Questions to the President shall be an item on the agenda.

2. Terms of Membership, Chairing of Committees, and Removal of Members for Absences

a. Non-student appointments to committees of the University Senate shall be made for terms of three years, with appointments so adjusted that the terms of approximately one third of the members expire each year. Faculty and academic staff who hold a University position carrying as any part of its title President, vice president, chancellor, provost, executive director, dean, counsel, non-faculty attorney, or chief of staff at a collegiate or central administrative level may not serve as a voting member of a University Senate committee, nor may the University Librarian.

b. Student appointments to committees of the University Senate shall be made for terms of two years. Student members of committees must be registered for at least six credits for each semester in the academic year. Graduate students who have completed course work and are not required to maintain continuous registration during interim periods of study in preparation for written and oral examinations must be certified by the individual department director of graduate studies.

c. Terms of committee service begin July 1 and terminate June 30. No non-student member is eligible to serve more than two consecutive full three-year terms on any one committee, and shall be eligible for reappointment only after a one-year interval of nonmembership on that committee. No student member is eligible to serve more than two consecutive two-year terms on any one committee. No committee member is eligible to serve on more than two committees of the University Senate, the Faculty Senate, or the Student Senate at a time. These rotation procedures and limitations do not apply to ex officio representatives.

d. Notwithstanding the preceding provisions, faculty, academic professionals, and civil service staff appointed to the four-year terms of membership on the Finance and Planning Committee shall be eligible to serve two consecutive four-year terms, for a total of eight years.

e. Except where specified, the chair of each committee of the University Senate is appointed from the committee membership by the Senate Committee on Committees. Chair appointments are for one-year terms, but chairs may be reappointed. An individual may chair only one committee of the University Senate, the Faculty Senate, or the Student Senate at a time. Terms of chairs begin July 1 and terminate June 30.

f. (1) A non-student member of a committee of the University Senate shall forfeit membership if absent for three consecutive meetings of the committee unless excused by the chair of the committee. A student member of a committee of the University Senate shall forfeit membership if absent for two meetings of the committee unless excused by the chair of the committee. A member of a committee (whether appointed or elected) of the University Senate will be considered absent if the member does not attend a meeting for which notification was given, subject to provisions (i) - (iii) of this section (g). A letter of forfeiture from the chair of Committee on Committees will be sent. A member whose membership has been forfeited may appeal to the appropriate appointing authority for reinstatement.

(i) Committee members who have official class teaching responsibilities, class conflicts (students), medical issues, or other serious and uncontrollable factors that prevent their attendance at committee meetings for up to a semester will be considered excused. If
circumstances will prevent someone from attending meetings for more than a semester, the person should be asked to consider resigning and be appointed at a future time when commitments would not preclude participation.

(ii) This section (g) applies to committee members who miss any three consecutive meetings (non-student members) or two consecutive meetings (students), whether within one academic year or spanning more than one academic year. Summer meetings of a committee do not count in tallying consecutive absences from meetings.

(iii). In those instances when a committee member makes arrangements to attend a meeting by teleconference or other technological means, and the necessary technology fails to work, that committee member will not be considered to be absent from the meeting.

(2) Individuals who are going on leave may wish to take a leave of absence from their committee but resume committee participation upon their return. In that case, the individuals need not be permanently replaced on a committee. Those individuals will be asked to identify someone to serve in their place, preferably from their own department, while they are on leave. Such a nomination must be approved by the Committee on Committees. In the event the individual was unable to find an interim replacement, the Committee on Committees will do so.

3. Leave Policy

If a committee member plans to be on leave from the University or is, for any reason, absent from the University for more than one year, a new committee member shall be appointed to complete the term remaining. Members on leave for one year or less during the first two years of a three-year term shall be replaced by temporary appointment. Members absent in the final year of a term shall be replaced for the term remaining. Replacement procedures shall follow appointment procedures.

4. Committee Support and Service

Support for Senate committees shall be provided by the Senate Office.

5. Support of University Governance

Department chairs, deans, and faculties should recognize participation in University governance by faculty, academic staff, and civil service staff as an important and integral part of the individual's work load and supply necessary assistance and support for these activities.

Similarly, faculty and administration should recognize student participation in University governance as an important and integral part of the participant's total University experience.

6. Procedures for Committees of the University Senate

a. Parliamentary authority for committees of the University Senate shall be Robert's Rules of Order Newly Revised, provided these Rules are not in conflict with the Senate Constitution or Bylaws. These Rules may be suspended by a two-thirds majority vote of those present and voting. Rules for Committees of the University Senate may be suspended by simple majority vote of those present and voting.

b. A quorum shall be a majority of the members (not including vacant seats).
c. Committee members may participate and vote in committee meetings through an electronic connection.

d. The chair or a committee member who voted on the prevailing side, was absent, abstained, or did not vote may move, by electronic communication, that an action taken by the committee be reconsidered. The motion to reconsider, including a proposed disposition, must be made to or by the chair within two business days after the meeting was adjourned. Committee members must vote, by electronic communication, within two business days from the time the motion to reconsider was distributed. The number of votes cast on the motion must meet or exceed the requirement for a quorum; if that number is achieved, a two-thirds majority of those voting is needed for approval of the motion to reconsider.

e. A committee chair may exercise discretion to close all or part of a meeting to administrative ex officio members of the committee in order to permit candid discussion of matters that include, but are not limited to, personnel or administrative organization matters. The reason for the closed session should be included on the agenda for the meeting.
ARTICLE III. RULES OF THE FACULTY SENATE (Changes to this article are subject to vote only by the Faculty Senate)

1. Organization

The Faculty Senate may determine its own organization, create committees whose membership need not be limited to members of the Faculty Senate, and adopt procedural Rules for the conduct of its business.

2. Agenda and Minutes

The Faculty Consultative Committee shall plan the agenda for any meeting of the Faculty Senate, for which it serves as the executive and steering committee. The agendas shall be prepared and distributed by the Clerk of the Senate. The agendas consist of items submitted for Faculty Senate consideration by the University Senate, the Student Senate, a campus assembly, the Senate Consultative Committee, the Student Consultative Committee, by any committee of the Faculty Senate or campus assemblies, or by any member of the Faculty Senate. 3. Amendments to the Rules

Amendments to the Faculty Senate Rules shall be made by a majority vote of the members of the Faculty Senate present and voting at any meeting of the Faculty Senate. However, the Rules cannot be amended to contravene either the Constitution or the Bylaws. If such a situation presents itself, a Constitutional or Bylaws amendment motion must be undertaken.

4. Seating

The meeting room shall provide a clear and definite area reserved for senators, and no non-senator (except authorized alternates, the Clerk and parliamentarian, and Senate staff) shall have access to this area without explicit permission from the chair. Senators and authorized alternates shall be identified in order to permit their seating to ensure accurate voting.

c. In the event that a senator has yielded time to a non-senator, both shall be considered to have spoken.

d. Speakers shall be limited to three minutes each time they are recognized.
e. The member of a committee presenting an item on the docket who is not a member of the Faculty Senate shall be extended all privileges associated with participation. These include making motions in areas related to the committee report. Such a person shall not be extended the privilege of voting.

f. Members of committees of the Faculty Senate who are not members of the Faculty Senate shall have the privilege of speaking on reports of their committees before the Senate.

g. The usual Rules of germaneness and decorum shall apply to both senators and non-senators.

6. Meeting Procedures

a. The time limits specified on the agenda are the maximum time for debate or discussion. A motion to extend the limits of debate may be proposed on any agenda item.

b. The Faculty Senate may not consider any amendment to a motion appearing in the printed docket unless the person making the motion has submitted the proposed amendment in writing to the Senate Office at least 48 hours before the meeting. There are two exceptions to this rule. First, the person making the motion on the docket may accept, on the floor of the Faculty Senate, amendments they consider to be friendly. Second, the Faculty Senate may consider such an amendment if the majority of senators present vote to do so. Before any vote is taken to consider an amendment on the floor, the person offering it must present it in writing (or, if connected to the meeting electronically, must provide specific wording) to the Senate Office.

c. An item of new business presented at a meeting of the Faculty Senate by an individual member shall be referred to the Faculty Consultative Committee for consideration and presentation at the next regular meeting of the Faculty Senate; but such an item of business may be considered and voted on at the meeting at which it is introduced by a two-thirds majority vote of the members of the Faculty Senate present and voting on a motion for immediate consideration (not debatable). An item on the agenda for information may be sent back to the committee reporting it, for presentation as an item for action at a later meeting, by a simple majority vote of the members of the Faculty Senate present and voting; it may be considered for action at the meeting at which it is reported for information by a two-thirds majority vote of the members of the Faculty Senate present and voting on a proposal for immediate consideration as an item for action.

d. The motion to table shall be debatable.

e. At each Faculty Senate meeting when the President is present, Questions to the President shall be an item on the agenda.

f. In the case of a tie vote, the President shall be entitled to vote.

g. Standing Rules of the Faculty Senate may be suspended by simple majority vote. Rules of Order (Robert's Rules Newly Revised) may be suspended by a two-thirds majority vote.

A letter of forfeiture from the chair of Committee on Committees will be sent. A member whose membership has been forfeited may appeal to the appropriate appointing authority for reinstatement.

(i) Committee members who have official class teaching responsibilities, class conflicts (students), medical issues, or other serious and uncontrollable factors that prevent their attendance at committee meetings for up to a semester will be considered excused. If circumstances will prevent someone from attending meetings for more than a semester, the person should be asked to consider resigning and be appointed at a future time when commitments would not preclude participation.

(ii) This section (g) applies to committee members who miss any three consecutive meetings (non-student members) or two consecutive meetings (students), whether within one academic year or spanning more than one academic year. Summer meetings of a committee do not count in tallying consecutive absences from meetings.

(iii). In those instances when a committee member makes arrangements to attend a meeting by teleconference or other technological means, and the necessary technology fails to work, that committee member will not be considered to be absent from the meeting.
(2) Individuals who are going on leave may wish to take a leave of absence from their committee but resume committee participation upon their return. In that case, the individuals need not be permanently replaced on a committee. Those individuals will be asked to identify someone to serve in their place, preferably from their own department, while they are on leave. Such a nomination must be approved by the Senate Committee on Committees. In the event the individual was unable to find an interim replacement, the Senate Committee on Committees will do so.

3. Leave Policy

If a committee member plans to be on leave from the University or is, for any reason, absent from the University for more than one year, a new committee member shall be appointed to complete the term remaining. Members on leave for one year or less during the first two years of a three-year term shall be replaced by temporary appointment. Members absent in the final year of a term shall be replaced for the term remaining. Replacement procedures shall follow appointment procedures.

4. Committee Support and Service

Support for Senate committees shall be provided by the Senate Office.

5. Support of University Governance

Department chairs, deans, and faculties should recognize participation in University governance by faculty, academic staff, and civil service staff as an important and integral part of the individual's work load and supply necessary assistance and support for these activities. Similarly, faculty and administration should recognize student participation in University governance as an important and integral part of the participant's total University experience.

6. Procedures for Committees of the Faculty Senate

a. Parliamentary authority for committees of the Faculty Senate shall be Robert's Rules of Order Newly Revised, provided these Rules are not in conflict with the Senate Constitution or Bylaws. These Rules may be suspended by a two-thirds majority vote of those present and voting. Rules for Committees of the Faculty Senate may be suspended by simple majority vote of those present and voting.

b. A quorum shall be a majority of the members (not including vacant seats).

c. Committee members may participate and vote in committee meetings through an electronic connection.

d. The chair or a committee member who voted on the prevailing side, was absent, abstained, or did not vote may move, by electronic communication, that an action taken by the committee be reconsidered. The motion to reconsider, including a proposed disposition, must be made to or by the chair within two business days after the meeting was adjourned. Committee members must vote, by electronic communication, within two business days from the time the motion to reconsider was distributed. The number of votes cast on the motion must meet or exceed the requirement for a quorum; if that number is achieved, a two-thirds majority of those voting is needed for approval of the motion to reconsider.
e. A committee chair may exercise discretion to close all or part of a meeting to administrative ex officio members of the committee in order to permit candid discussion of matters that include, but are not limited to, personnel or administrative organization matters. The reason for the closed session should be included on the agenda for the meeting.
ARTICLE V. RULES OF THE STUDENT SENATE (Changes to this article are subject to vote only by the Student Senate)

1. Organization

The Student Senate may determine its own organization, create committees whose membership need not be limited to members of the Student Senate, and adopt procedural Rules for the conduct of its business.

2. Agenda and Minutes

The Student Consultative Committee shall plan the agenda for any meeting of the Student Senate. The agenda shall be distributed by the Senate Office. The agenda consists of items submitted for Student Senate consideration by the University Senate, the Faculty Senate, a campus assembly, the Senate Consultative Committee, the Faculty Consultative Committee, the Student Consultative Committee, the P&A Consultative Committee, the Civil Service Consultative Committee, by any committee of the Student Senate or campus assemblies, or any member of the Student Senate. The Student Consultative Committee may include additional items on the agenda for any regular meeting of the Student Senate. Items for the docket must be delivered to the Senate Office no later than two weeks prior to the date of each meeting.

The minutes of the meetings of the Student Senate shall be available to all faculty, academic staff, civil service, staff, and students. The actions of Student Senate meetings shall be available in like manner.

3. Amendments to the Rules

Amendments to the Student Senate Rules shall be made by a majority vote of the members of the Student Senate present and voting at any meeting of the Student Senate. However, the Rules cannot be amended to contravene either the Constitution or the Bylaws. If such a situation presents itself, a Constitutional or Bylaws amendment motion must be undertaken.

4. Seating

The meeting room shall provide a clear and definite area reserved for senators, and no non-senator (except authorized alternates and Senate staff) shall have access to this area without explicit permission from the chair. Senators and authorized alternates shall be identified in order to permit their seating to ensure accurate voting.

5. Recognition and Participation

a. In deliberations, priority of recognition shall be given to senators over non-senators; speakers who have not spoken over those who have; alternation of pro and con on a specific issue.

b. Any senator, upon recognition from the chair, may yield time in debate to a non-senator.

c. In the event that a senator has yielded time to a non-senator, both shall be considered to have spoken.

d. Speakers shall be limited to three minutes each time they are recognized.
e. The member of a committee presenting an item on the docket who is not a member of the Student Senate shall be extended all privileges associated with participation. These include making motions in areas related to the committee report. Such a person shall not be extended the privilege of voting.

f. Members of committees of the Student Senate who are not members of the Student Senate shall have the privilege of speaking on reports of their committees before the Student Senate.

g. The usual Rules of germaneness and decorum shall apply to both senators and non-senators.

6. Meeting Procedures

a. The time limits specified on the agenda are the maximum time for debate or discussion. A motion to extend the limits of debate may be proposed on any agenda item.

b. The Student Senate may not consider any amendment to a motion appearing in the printed docket unless the person making the motion has submitted the proposed amendment in writing to the Senate Office at least 48 hours before the meeting. There are two exceptions to this rule. First, the person making the motion on the docket may accept, on the floor of the Student Senate, amendments they consider to be friendly. Second, the Student Senate may consider such an amendment if the majority of senators present vote to do so. Before any vote is taken to consider an amendment on the floor, the person offering it must present it in writing (or, if connected to the meeting electronically, must provide specific wording).

c. An item of new business presented at a meeting of the Student Senate by an individual member shall be referred to the Student Consultative Committee for consideration and presentation at the next regular meeting of the Student Senate; but such an item of business may be considered and voted on at the meeting at which it is introduced by a two-thirds majority vote of the members of the Student Senate present and voting on a motion for immediate consideration (not debatable). An item on the agenda for information may be sent back to the committee reporting it, for presentation as an item for action at a later meeting, by a simple majority vote of the members of the Student Senate present and voting; it may be considered for action at the meeting at which it is reported for information by a two-thirds majority vote of the members of the Student Senate present and voting on a proposal for immediate consideration as an item for action.

d. The motion to table shall be debatable.

e. Standing Rules of the Student Senate may be suspended by simple majority vote. Rules of Order (*Robert's Rules Newly Revised*) may be suspended by a two-thirds majority vote.
ARTICLE VI. RULES FOR COMMITTEES OF THE STUDENT SENATE (Changes to this article are subject to vote only by the Student Senate)

1. Ex Officio Members of Student Senate Committees

Ex officio representation is accorded because of, or by virtue of, a specified office. An ex officio member has rights of full participation except voting privileges unless otherwise indicated. Ex officio administrative members shall be appointed from each of the offices as specified in the following provisions and shall have the authority to designate someone to attend meetings in their place. Committee chairs or members who serve ex officio on other committees may designate another representative from their committees to attend in their place.

- **Student Affairs**--Office of Senior Vice President for Academic Affairs and Provost (two representatives including one from the Office of Student Affairs and the Coordinator for Off-Campus Living)

- **Student Consultative**--Student Member of the Educational Policy Committee, Student Member of the Finance and Planning Committee, Student Member of the Student Affairs Committee, and Student Representative to the Board of Regents. (All are chosen at the discretion of the Student Senate Consultative Committee.)

2. Terms of Membership, Chairing of Committees, and Removal of Members for Absences

a. Non-student appointments to committees of the Student Senate shall be made for terms of three years, with appointments so adjusted that the terms of approximately one third of the members expire each year. Faculty and academic staff who hold a University position carrying as any part of its title President, vice president, chancellor, provost, executive director, dean, counsel, non-faculty attorney, or chief of staff at a collegiate or central administrative level may not serve as a voting member of a Student Senate committee, nor may the University Librarian.

b. Student appointments to committees of the Student Senate shall be made for terms of two years. Student members of committees must be registered for at least six credits for each semester in the academic year. Graduate students who have completed course work and are not required to maintain continuous registration during interim periods of study in preparation for written and oral examinations must be certified by the individual department director of graduate studies.

c. Terms of committee service begin July 1 and terminate June 30. No non-student member is eligible to serve more than two consecutive full three-year terms on any one committee, and shall be eligible for reappointment only after a one-year interval of nonmembership on that committee. No student member is eligible to serve more than two consecutive two-year terms on any one committee. No committee member is eligible to serve on more than two committees of the University Senate, the Faculty Senate, or the Student Senate at a time. These rotation procedures and limitations do not apply to ex officio representatives.

d. Except where specified, the chair of each committee of the Student Senate is appointed from the committee membership by the Senate Committee on Committees. Chair appointments are for one-year terms, but chairs may be reappointed. An individual may chair only one committee of the University Senate, the Faculty Senate, or the Student Senate at a time. Terms of chairs serve begin July 1 and terminate June 30.
e. A member of a committee (whether appointed or elected) of the Student Senate shall be said to have been absent if the member does not attend a meeting for which notification was given. A non-student member of a committee of the Student Senate shall forfeit membership if absent for three consecutive meetings of the committee unless excused by the chair of the committee. A student member of a committee of the Student Senate shall forfeit membership if absent for two meetings of the committee unless excused by the chair of the committee. Summer meetings of a committee do not count in tallying consecutive absences from meetings. A letter of forfeiture from the chair of Committee on Committees will be sent. A member whose membership has been forfeited may appeal to the appropriate appointing authority for reinstatement.

f. In those instances when a committee member makes arrangements to attend a meeting by teleconference or other technological means, and the necessary technology fails to work, that committee member will not be considered to be absent from the meeting.

3. Committee Support and Service

Support for Senate committees shall be provided by the Senate Office.

4. Support of University Governance

Faculty and administration should recognize student participation in University governance as an important and integral part of the participant's total University experience.

5. Procedures for Committees of the Student Senate

a. Parliamentary authority for committees of the Student Senate shall be Robert's Rules of Order Newly Revised, provided these Rules are not in conflict with the Senate Constitution or Bylaws. These Rules may be suspended by a two-thirds majority vote of those present and voting. Rules for Committees of the Student Senate may be suspended by simple majority vote of those present and voting.

b. A quorum shall be a majority of the members (not including vacant seats).

c. Committee members may participate and vote in committee meetings through an electronic connection.

d. The chair or a committee member who voted on the prevailing side, was absent, abstained, or did not vote may move, by electronic communication, that an action taken by the committee be reconsidered. The motion to reconsider, including a proposed disposition, must be made to or by the chair within two business days after the meeting was adjourned. Committee members must vote, by electronic communication, within two business days from the time the motion to reconsider was distributed. The number of votes cast on the motion must meet or exceed the requirement for a quorum; if that number is achieved, a two-thirds majority of those voting is needed for approval of the motion to reconsider.
ARTICLE VI. RULES OF THE P&A SENATE (Changes to this article are subject to vote only by the P&A Senate)

1. Organization

The P&A Senate may determine its own organization, create committees whose membership need not be limited to members of the P&A Senate, and adopt procedural Rules for the conduct of its business.

2. Agenda and Minutes

The P&A Consultative Committee shall plan the agenda for any meeting of the P&A Senate, for which it serves as the executive and steering committee. The agendas shall be prepared and distributed by the Senate Office. The agendas consist of items submitted for P&A Senate consideration by the University Senate, the Faculty Senate, the Civil Service Senate, the Student Senate, a campus assembly, the Senate Consultative Committee, the Faculty Consultative Committee, the Civil Service Consultative Committee, the Student Consultative Committee, by any committee or subcommittee of the P&A Senate or campus assemblies, or by any member of the P&A Senate. At the discretion of the P&A Consultative Committee, the Senate Office may be instructed to include additional items on the agenda for any regular meeting of the P&A Senate. Items for the docket must be delivered to the Senate Office no later than two weeks prior to the date of each meeting.

The minutes of each P&A Senate meeting shall be available to all internal and external constituencies. The actions of P&A Senate meetings shall be available in like manner.

3. Amendments to the Rules

Amendments to the P&A Senate Rules shall be made by a majority vote of the members of the P&A Senate present and voting at any meeting of the P&A Senate. However, the Rules cannot be amended to contravene either the Constitution or the Bylaws. If such a situation presents itself, a Constitutional or Bylaws amendment motion must be undertaken.

4. Seating

The meeting room may provide a clear and definite area reserved for senators. If this is done no non-senator (except authorized alternates and Senate staff) shall have access to this area without explicit permission from the chair. Senators and authorized alternates shall be identified in order to permit their seating to ensure accurate voting.

5. Recognition and Participation

a. In deliberations, priority of recognition shall be given to senators over non-senators; speakers who have not spoken over those who have; alternation of pro and con on a specific issue.

b. Any senator, upon recognition from the chair, may yield time in debate to a non-senator.

c. In the event that a senator has yielded time to a non-senator, both shall be considered to have spoken.

d. Speakers shall be limited to three minutes each time they are recognized.
e. The member of a committee or subcommittee presenting an item on the docket who is not a member of the P&A Senate shall be extended all privileges associated with participation. These include making motions in areas related to the committee or subcommittee report. Such a person shall not be extended the privilege of voting.

f. Members of committees or subcommittee of the P&A Senate who are not members of the P&A Senate shall have the privilege of speaking on reports of their committees or subcommittee before the Senate.

g. The usual Rules of germaneness and decorum shall apply to both senators and non-senators.

6. Meeting Procedures

a. The time limits specified on the agenda are the maximum time for debate or discussion. A motion to extend the limits of debate may be proposed on any agenda item.

b. The P&A Senate may not consider any amendment to a motion appearing in the printed docket unless the person making the motion has submitted the proposed amendment in writing to the Senate Office at least 48 hours before the meeting. There are two exceptions to this rule. First, the person making the motion on the docket may accept, on the floor of the P&A Senate, amendments they consider to be friendly. Second, the P&A Senate may consider such an amendment if the majority of senators present vote to do so. Before any vote is taken to consider an amendment on the floor, the person offering it must present it in writing (or, if connected to the meeting electronically, must provide specific wording) to the Chair.

c. An item of new business presented at a meeting of the P&A Senate by an individual member shall be referred to the P&A Consultative Committee for consideration and presentation at the next regular meeting of the P&A Senate; but such an item of business may be considered and voted on at the meeting at which it is introduced by a two-thirds majority vote of the members of the P&A Senate present and voting on a motion for immediate consideration (not debatable). An item on the agenda for information may be sent back to the committee or subcommittee reporting it, for presentation as an item for action at a later meeting, by a simple majority vote of the members of the P&A Senate present and voting; it may be considered for action at the meeting at which it is reported for information by a two-thirds majority vote of the members of the P&A Senate present and voting on a proposal for immediate consideration as an item for action.

d. The motion to table shall be debatable.

e. In the case of a tie vote, the Chair shall be entitled to vote.

f. Standing Rules of the P&A Senate may be suspended by simple majority vote. Rules of Order (Robert's Rules Newly Revised) may be suspended by a two-thirds majority vote.
ARTICLE VIII. RULES FOR COMMITTEES AND SUBCOMMITTEES OF THE P&A SENATE (Changes to this article are subject to vote only by the P&A Senate)

1. Ex Officio Members of P&A Senate Committees

Ex officio representation is accorded because of, or by virtue of, a specified office. An ex officio member has rights of full participation including voting privileges unless otherwise indicated. Ex officio administrative members shall be appointed by the committee chair as specified in the following provision. Committee chairs who serve ex officio on other committees may designate a representative from their committees to attend in their place.

- P&A Consultative--past chair of the P&A Consultative Committee

2. Terms of Membership, Chairing of Committees and Subcommittees, and Removal of Members for Absences

a. Appointments to committees and subcommittees of the P&A Senate shall be made for terms of one year. Terms of committee and subcommittee service begin July 1 and terminate June 30. There is no term limit for P&A Senate committee service. No committee member is eligible to serve on more than two committees of the University Senate, the P&A Senate, the Faculty Senate, the Civil Service Senate, and the Student Senate at a time. These rotation procedures and limitations do not apply to ex officio representatives.

b. Chairs are elected for one-year terms and may be reelected for no more than three consecutive years. Terms of chairs begin July 1 and terminate June 30.

c. Each P&A senator and alternate is required to serve on one and not more than two P&A Senate subcommittees each year. Senators and alternates who do not choose a subcommittee by the end of September will be assigned to a committee by the Chair. Other P&A are also eligible for subcommittee service without serving in the P&A Senate. Service as a University Senate member may be used to fulfill the subcommittee service requirement but does not preclude a University Senate member from serving on one P&A Senate subcommittee.

d. A member of a committee or subcommittee (whether appointed or elected) of the P&A Senate shall be said to have been absent if the member does not attend a meeting for which notification was given, subject to the provisions of (1) and (2) of this section. A member of a committee or subcommittee of the P&A Senate shall forfeit membership if absent for four meetings of the committee or subcommittee in an academic year unless excused by the chair of the committee or subcommittee. A member whose membership has been forfeited may appeal to the P&A Consultative Committee for reinstatement.

(1) Committee and subcommittee members who have official class teaching responsibilities, medical issues, or other serious and uncontrollable factors that prevent their attendance at committee or subcommittee meetings for a semester should be given "excused absences" and not have the rule applied to them.

(2) Before the first meeting of each semester, the committee or subcommittee chair (or committee staff on behalf of the chair) should inquire about members' availability and should consider the possibility of changing the meeting time or rotating committee meeting times so that some members would be able to attend at least some of the meetings.
e. In those instances when a committee or subcommittee member makes arrangements to attend a meeting by teleconference or other technological means, and the necessary technology fails to work, that committee or subcommittee member will not be considered to be absent from the meeting.

3. Committee Support and Service

Support for Senate committees shall be provided by the Senate Office.

4. Support of University Governance

Department chairs, deans, and faculties should recognize participation in University governance by faculty, P&A, and civil service staff as an important and integral part of the individual's workload and supply necessary assistance and support for these activities. 5. Procedures for Committees and Subcommittees of the P&A Senate

a. Parliamentary authority for committees and subcommittees of the P&A Senate shall be Robert's Rules of Order Newly Revised, provided these Rules are not in conflict with the Senate Constitution or Bylaws. These Rules may be suspended by a two-thirds majority vote of those present and voting. Rules for Committees and Subcommittees of the P&A Senate may be suspended by simple majority vote of those present and voting.

b. A quorum shall be a majority of the members (not including vacant seats).

c. Members may participate and vote in meetings through an electronic connection.

d. The chair or a member who voted on the prevailing side, was absent, abstained, or did not vote may move, by electronic communication, that an action taken by the committee or subcommittee be reconsidered. The motion to reconsider, including a proposed disposition, must be made to or by the chair within two business days after the meeting was adjourned. Members must vote, by electronic communication, within two business days from the time the motion to reconsider was distributed. The number of votes cast on the motion must meet or exceed the requirement for a quorum; if that number is achieved, a two-thirds majority of those voting is needed for approval of the motion to reconsider.
ARTICLE IX. RULES OF THE CIVIL SERVICE SENATE (Changes to this article are subject to vote only by the Civil Service Senate)

(Changes to this article are subject to vote only by the Civil Service Senate)

1. Ex Officio Members of Civil Service Senate Committees

Ex officio representation is accorded because of, or by virtue of, a specified office. An ex officio member has rights of full participation excluding voting privileges unless otherwise indicated. Ex officio administrative members shall be appointed by the committee chair as specified in the following provision. The committee chair may, if he or she wishes, discuss with the committee member problems with scheduling before any forfeiture letter is sent.

(3) Individuals who are going on leave may wish to take a leave of absence from their committee but resume committee participation upon their return if their term has not expired. In that case, the individuals need not be permanently replaced on a committee.

3. Committee Support and Service

5. Procedures for Committees of the Civil Service Senate

a. Parliamentary authority for committees of the Civil Service Senate shall be Robert's Rules of Order Newly Revised, provided these Rules are not in conflict with the Senate Constitution or Bylaws. These Rules may be suspended by a two-thirds majority vote of those present and voting. Rules for Committees of the Civil Service Senate may be suspended by simple majority vote of those present and voting.

b. A quorum shall be a majority of the members (not including vacant seats).

c. Committee members may participate and vote in committee meetings through an electronic connection.

d. The chair or a committee member who voted on the prevailing side, was absent, abstained, or did not vote may move, by electronic communication, that an action taken by the committee be reconsidered. The motion to reconsider, including a proposed disposition, must be made to or by the chair within two business days after the meeting was adjourned.
